

A woman with dark hair is shown from the chest up, submerged in a hot spring. She is looking upwards with her eyes closed, her face illuminated by the soft light of the steam. In the background, a large digital screen displays a vibrant scene of a waterfall cascading over a rocky cliff, with the aurora borealis glowing in shades of green and blue in the sky above. The overall atmosphere is serene and ethereal, with a cool color palette dominated by blues and greens.

ABOUT US

Auralis was born from a desire to transform bathing into a luxurious experience. Inspired by the ethereal beauty of auroras and the harmony of nature, we craft luxurious bath products that nourish the body and elevate the senses.

Our name, Auralis, reflects the luminous essence of an aurora—a gentle radiance that transforms the ordinary into the extraordinary. This philosophy guides us to create products that infuse every bath with indulgence, leaving you feeling as radiant and serene as the celestial skies. Step into a realm of serenity and sophistication.

In a world where everyday routines often overshadow moments of true self-care, auralis was born to bring a touch of celestial luxury to your bathing experience. Inspired by the ethereal glow of the auroras and the natural harmony of Earth's elements, auralis creates a sanctuary where the cosmos and nature unite to rejuvenate your mind and body.

Faucets with smart water- saving aerator

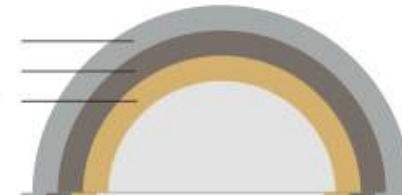

Taking forward the water saving concept, faucets manufactured at Auralis use faucets with smart water-saving aerators, blending innovation with sustainability. These aerators optimize water flow, reducing wastage without compromising pressure. Designed for modern living, they enhance efficiency while maintaining luxury. Auralis' commitment to eco-friendly solutions ensures style, performance, and conservation, making every drop count in responsible water usage.

DESIGNED TO PERFORM

Craftsmanship and Innovation from concept to creation, every Auralis faucet embodies the perfect balance of form and function. We blend cutting- edge technology with meticulous craftsmanship to ensure each faucet not only meets but exceeds expectations in durability, performance and style.

RIVERA by Auralis

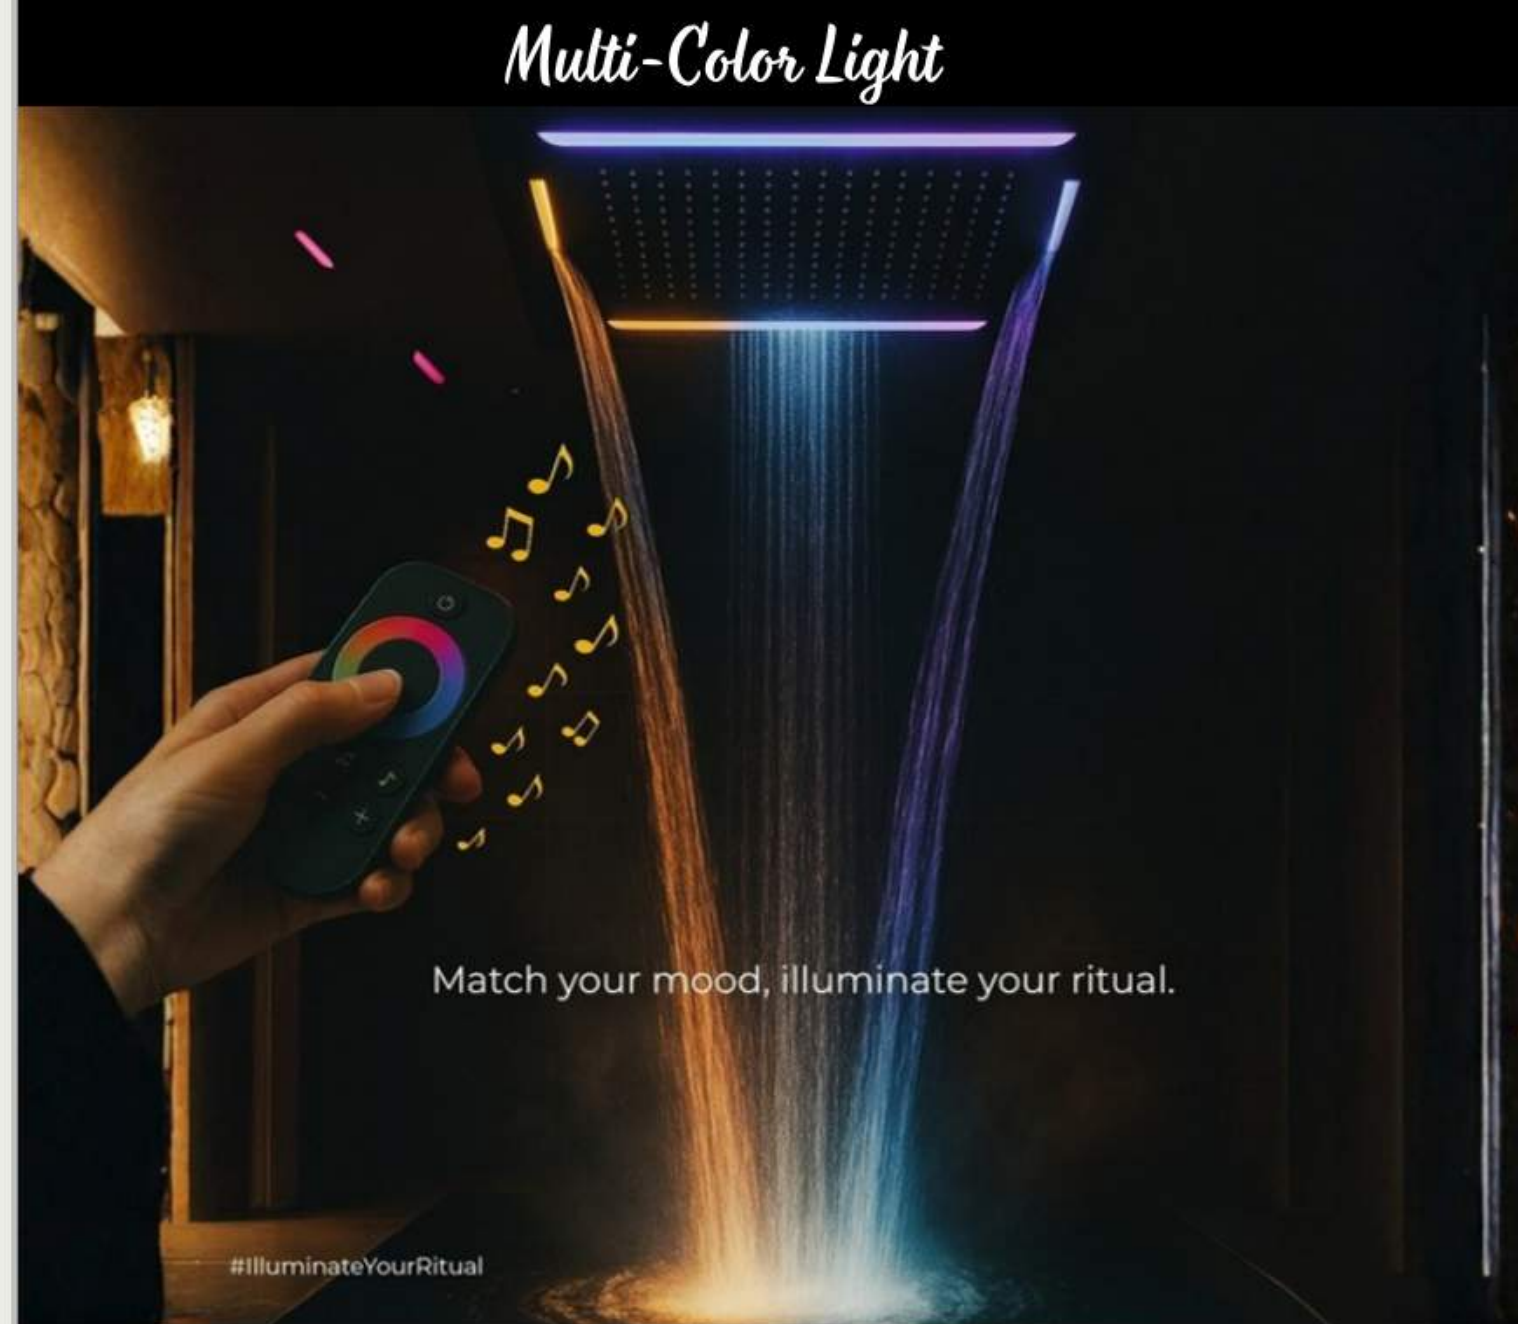

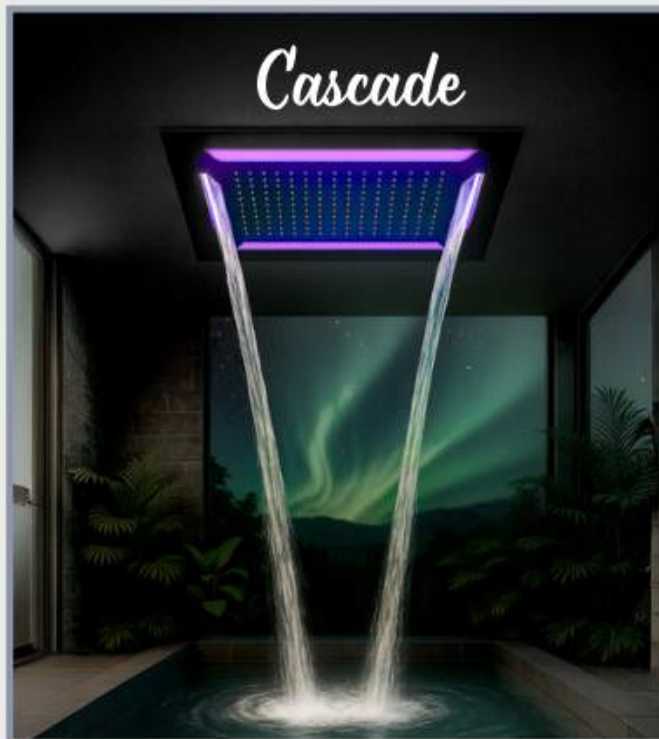

Where water transcends function and becomes a refined ritual.

RIVERA is Auralis' expression of absolute luxury in ceiling-mounted showering—crafted for spaces that value serenity, performance, and architectural elegance. Designed as a multifunction experience, RIVERA transforms everyday bathing into a sensorial escape, with precisely engineered spray patterns that flow effortlessly from gentle rainfall to immersive, high-coverage cascades.

Sculpted with clean geometries and finished in flawless premium surfaces, each RIVERA ceiling shower integrates seamlessly into modern interiors, maintaining visual purity while delivering powerful, evenly distributed water flow. Advanced internal engineering ensures consistent performance, optimized pressure, and silent operation—creating an uninterrupted moment of calm.

Minimal in form yet indulgent in experience, RIVERA by Auralis redefines the ceiling shower as a statement of understated opulence—where design, innovation, and water unite to elevate the ritual of bathing.

LUMA

WHERE LIGHT BEGINS

LUMA brings essential luxury into the rituals that shape your day — where considered design meets the quiet pleasure of a space that feels entirely your own. Built for modern Indian homes, it strikes a refined balance between clean aesthetics and enduring performance, so that every fixture feels intentional, every finish earns its place. With LUMA, the everyday becomes something worth noticing.

The best spaces do not demand attention — they simply make you feel at home in a way you cannot quite explain. LUMA is that feeling, translated into every fitting, every finish, every quiet morning it becomes a part of.
